Starscope

AQUARIUS (Jan. 20 thru Feb. 20)
Involvement with inheritance can come to head. Be firm with pilot who suffers temporary hazard to safety. Enquire locally for used possessions you are seeking.

PISCES (February 21 thru March 20)
Step nearer life goal. Be aware that your needs hold priority over most others. Reject useless person, and look for better conditions.

ARIES (March 21 thru April 19)
Natural urges can bring satisfaction or upset the applecart. Take instructions from experts, and experiment. Energy high. Recognize what is going on inside you.

TAURUS (April 20 thru May 20)
Keep out of lawyer's clutches and stall signature. Concentrate on light entertainment, children or love; much more congenial.

GEMINI (May 21 thru June 20)
Prospective land deal, reaching your restlessness, but you've examined much more closely.

CANCER (June 21 thru July 22)
Emphasis is still on travel and change. Personal involvement can shape surroundings to be as you wish. Money problems fall into background for a while.

LEO (July 23 thru August 22)
Value changes continue. Your will power runs at full throttle yet it may be at odds with those closest to you. Lie back and relax: not a great deal you can do.

VIRGO (August 23 thru September 22)
Dress and behave well—influential persons are quietly observing you. Decisive behind the scenes romantic situation being played out.

LIBRA (September 23 thru October 22)
Obey doctor's instruction if under treatment. Thinking patterns confused: note how lack of decisive action is impeding you.

SCORPIO (October 23 thru November 22)
Prepare for spots with acquaintances. Delay in your programs that plague you. New moon advises postponement of proposed project. Recreation better than serious work.

SAGITTARIUS (Nov. 23 thru Dec. 21)
Read news, magazines to gain clue to next step in life progress. Pressures on bank balance easing but strict budget necessary.

CAPRICORN (Dec. 22 thru Jan. 19)
Meditate an old method, update, and present in area where you gain fame. Noticec how your dreams give answers to real life situation.
